

# Fifth grade curriculum PowerPoint

# Important Note

The videos linked to in the following slides must be downloaded separately from the MARC website.

Download the videos and this PowerPoint into ONE folder.

After they are all in the folder, go through the PowerPoint and highlight each name and press CONTROL-K. Then select the correct video from the folder and click OK.

After that, the links should work when you run the PowerPoint.

If you just can't make this work, you can view the videos directly from the MARC website.
