

PHYSICAL EDUCATION

Physical education shall be required of all pupils as per State minimum standards. Students may be excused from physical education on the advice of a licensed medical provider of the state. Temporary excuses on a day-to-day basis may be granted by the teacher upon the request of the parents.

At the High School level students may petition for a half credit waiver for participating in alternative physical education (ie: sports, dance, swimming.) and not be required to take a half credit of physical education classes.
