

**STUDENT DRESS CODE**

The responsibility for the appearance of the students rests with the parents and the students themselves.

They have the right to determine such student's dress, except that the school reserves the right to deny school attendance to those students who wear unsuitable attire or who are unkempt in appearance or whose appearance is such as to create disruption which will interfere with the education process or present a threat to the health and welfare of the student.

The Principal or designee is authorized to issue regulations to implement this policy, in addition to the general regulations attached as JICA-R.
