

GOFFSTOWN SCHOOL DISTRICT**STUDENT FEES, FINES, AND CHARGES**

Students are responsible for all text books, information technology equipment, uniforms, and school property entrusted to them and must ensure they receive proper care in accordance with the student handbook. Damage, destruction or disappearance of school property is the responsibility of the student and reimbursement up to replacement cost may be required by the district.

Delinquent student fees, fines, and charges will be monitored by the building principal or his/her designee. The principal or administrative designee will notify the parent/guardian informing them of the delinquent balance(s).

Accounts with negative balances will be monitored by the building principal or his/her designee. Should the negative balance remain, the building principal or his/her designee will notify the parent/guardian as a reminder that the negative balance needs to be addressed.

The school district business office may initiate collection actions for chronically delinquent accounts. Failure to satisfy outstanding fees may result in the loss of student privileges including participation in co-curricular activities, student parking, etc.

This policy is to be included in all school handbooks.
