EXHIBITION 3

ART HONORS & CLASS ASSIGNMENTS

June 2011

This is the third and final on-line exhibit of Goffstown High School student artwork for the 2010-11 school year.

The exhibit features a sampling of the work of senior Art Honors students: Britteny Torres, Nathaniel Welton, Jenn Evans, Brianna Seidel and Nicole LaRhette. In addition, some quarter 4 work by students in Sandee Nichols, Donna Karolian, Keith Martin and my classes is also displayed.

The students are quite proud of the comments that they have received from teachers, parents and friends and truly appreciate you viewing their work.

Thank you for all of the support that I have received for the three inaugural exhibits. I look forward to continuing this endeavor in September and throughout the 2011-12 school year.

Artfully Yours,

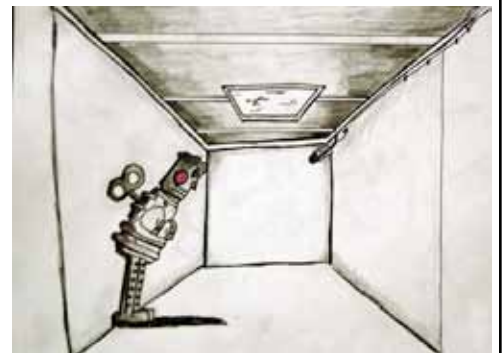

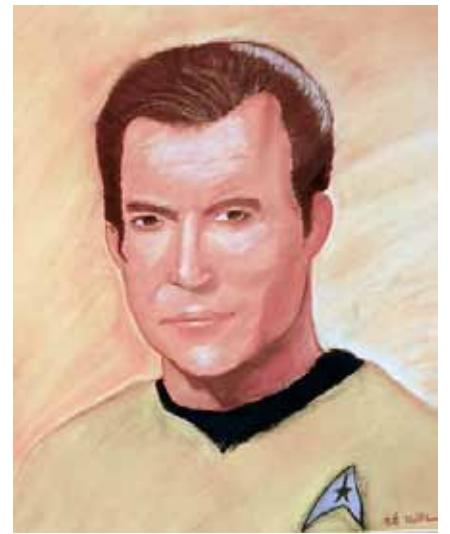

Ava-lyn Lane

Please feel free to send feedback to any of the students through my email address: alane@goffstown.k12.nh.us.
