Serving the Towns of Dunbarton, Goffstown, and New Boston

January 11, 2012

Parent/Guardian,

We were informed by the Goffstown Police Department this morning that a student in the Pinardville section of town was approached by a stranger in a car while she was waiting for the bus. The Police Department is in the process of completing a full investigation and will continue to provide public information on the incident through their department.

I would like to ask each parent/guardian to review safety procedures with their child, particularly while waiting or walking to the bus stop. Please remind students that they should never speak to strangers, and if approached they should immediately report it to an adult.

The safety of our students is always our utmost priority. As a parent/guardian, your support in providing supervision at your child's bus stop may also be helpful. Together, we can ensure that our community and children continue to be safe.

If you have any questions or additional information regarding this situation, please do not hesitate to contact the Goffstown Police Department at 497-4858.

Sincerely,

Stacy Buckley

Superintendent of Schools
