My Role:

Third and Fourth Grade Special Education Teacher and Case Manager

About Me:

I was born and raised in Vermont and have lived in New Hampshire for the past eight years. I moved to New Hampshire for college, and spent four years at New England College in Henniker, NH, where I earned my Bachelor of Arts in Elementary and Special Education. I have been working at Bartlett Elementary School for the past four years in the Special Education Department.

In my free time, I take frequent trips back to Vermont to see my family. I enjoy being outdoors, camping, swimming, and hiking. Fall is my favorite season to be outside! I love the beautiful fall weather! I love to read and am always open to new suggestions for interesting books to read. I am in the process of getting my Master's degree, so finding time to read for fun is a true luxury!

I am so glad to be a part of the wonderful staff here at Bartlett Elementary School. I look forward to hearing from you!
