Recess and Suitable Clothing:

Children should dress for the weather because they go outside for recess unless the weather is inclement. Bartlett Elementary School's practice is to have outdoor recess unless the wind chill makes it feel like it is below 15 degrees. Children benefit greatly from fresh air and sunshine. Clothes worn to school must be worn outside during recess, i.e., coats and boots, unless indicated by a note from parents/guardians. Snow pants and boots are required for outside snow play.

This Week's Quote:
