As a family, we are able to support my student's learning.

My student's learning program is requiring too much of parents.

My student's learning program is requiring too much of my child.

For families of students with IEPs, school staff are working hard to support my student in a Connected Learning environment.

For families of students with 504s, school staff are working hard to support my student in a Connected Learning environ...

Video updates provided by the Superintendent are an effective tool of communicating with families.

The SAU #19 and school websites provide me the updates and information I need to support my student's learning.

How clear has the communication from your student's school been regarding Connected Learning?
