I know that other support services (school counselors, nurses, etc.) are available, and how to access them, to support my student during this period of Connected Learning.

I know that a "Free Meals for Kids" program is available for all students 18 and under through the school district.

As a family, we are able to support my student's learning.

My student's learning program is requiring too much of parents.

# My student's learning program is requiring too much of my child.

Video updates provided by the Superintendent are an effective tool of communicating with families.

The SAU #19 and school websites provide me the updates and information I need to support my student's learning.

# How clear has the communication from your student's school been regarding Connected Learning?
