## SAU 19 CONFIDENTIAL SUSPICIOUS ACTIVITY/SCHOOL SAFETY REPORTING SYSTEM FLOW CHART

Community member becomes aware of imminent or serious danger involving a Goffstown or New Boston educational community member (observed or implied).

Law enforcement will coordinate with SAU 19
Threat Assessment Team (TAT) as needed.

Community Member would like to confidentially report suspicious activity or report a possible school safety concern involving a Goffstown or New Boston educational community member related to weapons/dangerous items at school, threats or acts of violence, sexual assault, self-harm, cyber threats/hacking, or observed drug use/sales.

Community member completes and submits the SAU 19 Confidential Suspicious Activity/School Safety Reporting Form.

SAU 19 TAT members will receive confirmation that a community member has submitted a report.

SAU 19 TAT will develop a plan/recommendations as needed which may include:

\* monitoring.

\* behavioral support planning

\* intervention

\* increased supervision

\* mental health

\* evaluation

SAU 19 TAT members will screen the information provided. The screening process may include:

- \* SAU level admin
- \* building level admin
- \* law enforcement
- \* community mental health

\* DCYF
