

August 2024

Hello Everyone

My name is Mrs. Lamontagne and I am going to be your first grade teacher this coming school year. I am so excited to meet all of you! All summer I have been planning fun and exciting activities to make learning fun for all of us. In first grade we are going to become Super Star Readers. Mathematicians, Authors, Illustrators and Scientist. Most importantly we are going to learn how to spread kindness in our classroom and in our school. We are going to be very busy, so make sure you get plenty of rest.

I would love to learn more about you before our first day of school. I would love to have you write me and tell me more about yourself. Some ideas that you could write to me about are:

What is your favorite activity or sport?

Do you have any pets?

Do you have brothers and/or sisters?

What did you do this summer?

What are some of your favorite books?

What are you looking forward to learning or doing in first grade?

Guess what? You can ask me questions too. And I promise to write back and answer them.

You can send your letters to me at julie.lamontagne@sau19.net I am looking forward to hearing from you.

I bet you are wondering what supplies you will need for first grade. All you need are two folders with your name on them, a backpack and lunchbox. You will also need a change of clothes, socks, undies, pants and a shirt, to keep in your backpack. Please place the items in a plastic bag with your name on it. Please make sure that whatever you bring to school is labeled with your name.

I have more exciting news. On Thursday, August 29 from 1:00 to 2:00, you will be able to come in and see me, your classroom and all of your friends that will be in your class with you. So, make sure you mark the date on your calendar.

I cannot wait to meet all of you! I hope you enjoy the rest of your summer. I will see you all soon!

Mrs. Lamontagne
