

Dear New Families,

Welcome to Fourth Grade!

I am looking forward to an exciting year ahead! I hope you are enjoying some summer reading and are filling in your Bingo Boards. (These were given to you on the last day of school in a folder). Also, take some time to practice your multiplication/division facts too, as this will prepare you for the upcoming fourth grade math curriculum. As you already know, you will be learning all about our great state of New Hampshire. If you do any traveling in NH throughout the rest of the summer, don't forget to take pictures and grab some brochures for future NH projects!

The stores are full of new school supplies, so I thought you might want to stock up early. I have listed a few items that would be helpful as your child starts the new year.

One 1" 3 ring binder
#2 pencils and erasers
1 spiral notebook (no more than 100 pages)
Dry erase markers (blue work best)
Clorox wipes
Soft tissues

Optional Items

Pencil sharpener (if it KEEPS the shavings this works best)
crayons
colored pencils
markers
scissors
glue stick

Thank you so much! I can't wait to meet everyone and start a year filled with awesome adventures and lots of exciting projects!

Mrs. Howe
